No. 14296

Date. 31.12.20

**Addendum and Corrigendum to the Tender Call Notice No. 13879 dated 21.12.2020**

With reference to the Tender Call Notice for "Supply, Installation, Operation and Maintenance of GPS & GPRS based Automatic Vehicle Tracking System in Garbage Lifting & other Vehicles under Rourkela Municipal Corporation" vide Notice No. 13879 dated 21.12.2020 invited by Commissioner, Rourkela Municipal Corporation, Rourkela is hereby modified with following additions mentioned as addendums and corrigendums for additional information. The other terms & conditions and schedule of the tender remains same.

Sl. No	Subject	Remark
1	<b>Clause 2-Scope of Work of Tender</b>	Additional to the original Scope of work mentioned in the tender document in the addendum the Scope includes " QR Code to be fitted with each household of the city for Seventy Thousand Households to increase the accountability on garbage collection. SWM personnel of the ULB shall scan the QR codes with the mobile based application. The same application is to be developed and it should be integrated with the GPS / GPRS tracking application. The house details along with location and time shall be recorded in the System. The QR code Specification shall be of 3.5" X 3.5" and water resistant materials.
2	<b>Clause 2 Sl. A.12 - Supply and Installation of GPS system in Garbage Lifting and other Vehicles</b>	There is no requirement of API, as the successful bidder will provide a dedicated server for this purpose.
3	<b>Clause 3 Sl. D - User Manual</b>	The successful bidder will provide a user friendly user manual for effective operation of the application by RMC staffs.
4	<b>Clause 3 Sl. F- EMD &amp; Security Deposit</b>	Relaxation on submission of EMD is permissible to bidder who are having MSME registration / Aadhaar Udyoga etc. on specified category only for participation in the Tender. The agency should submit the required valid document and an application along with the Technical bid.
5	<b>Clause 3 Sl. J- Dedicated web panel installed on a dedicated server maintained by provider</b>	Not requirement of onsite server. The agency may use the AWS Cloud Server for this purpose.
6	<b>Annexure-6 - Commercial Bid</b>	The revised Annexure attached

  
Commissioner

**Rourkela Municipal Corporation**
