## Clarification on Pre-bid Queries in response to "EOI for Engagement of Consultant for Preparation of DPR & Bid Process Management for Construction of Scientific Sanitary Landfill Site and Bioremediation of Existing Dumpsite under Rourkela Municipal Corporation" vide EOI No. 308 dated 11.01.21 of Rourkela Municipal Corporation

Sl. No	Queries	Tender Reference (Clause No/ Page No)	Clarification of RMC
1	Approximate area or Quantity of Landfill and Quantity of Bio-remediation?	NA	1. The proposed site for development of Scientific landfill site is around 15 Acres. 2. The selected agency will assess the quantity of legacy waste for Bio-remediation at the existing dumping site.
2	Anticipated Project Cost for Landfill and Bio-remediation?	NA	The Scope of work for the agency includes preparation of the DPR & Estimate as per the requirement and approval of the authority.
3	Whether the proposed Landfill is only for non-biodegradable waste or combines of both bio and non-bio-degradable waste (non segregated waste)?	NA	The proposed Landfill site must have facilities for both bio and non-bio-degradable waste and mostly inert residual waste.
4	Age of the Present Dumping site?	NA	The age of the present dumping site is around 15 Years.
5	Specified time for preparing the DPR and Bid documents is only 12 Weeks. This time is very short period for preparing the DPR and Bid documents. It involves detailing of existing scenarios, land survey, quantity assessment, Lab analysis of waste and fractions, Quality and quantity assessment of Leachate and gas, examine the ground water level and its parameters etc. etc.	NA	The timeline for Preparation of DPR, Estimation and Bid process management may be extended to further period with mutual consent during the agreement stage after finalization of EOI, if authority feels so.

6	Is technical and financial evaluation of the bids included in Bid Process Management?	Clause 4.H. Bid Process Management	Yes
7	The bid for Bio-mining of existing Dumpsite shall be prepared on EPC, or PPP mode?	Clause 4.H. Bid Process Management	EPC Model
8	Whether Consultant is required to submit working drawings also?	Clause 4- Indicative Scope of Work	Yes, the selected agency will have to submit the working drawings along with the DPR, Estimation and Final bid document.
9	Getting EIA/ EC/ Any form of approvals and clearance of the SLF site will be in the contractor or Municipal Corporation's scope?	Clause 4- Indicative Scope of Work	Getting EIA/ EC/ Any form of approvals and clearance of the SLF site will be in the scope under Municipal Corporation. However, the selected Consultant will facilitate the process for obtaining such clearances from the appropriate authority.
10	Who will do the vetting of the DPR and who will bear the cost of vetting procedure?	Clause 11. Payment Conditions	RMC will do require arrangement for vetting procedure and the cost will be borne by Municipal Corporation. However, the selected Consultant will facilitate for the same.
