Tender for supply & Installation of GPS in Garbage Lifting & other Vehicles.

Sealed bids are Invited for

- A. Supply, Installation system and maintenance during one year Warrantee/ Guarantee period.
- B. Service (Repairing, maintenance) for a period of **4 years** after completing the Guarantee/Warrantee period of one year.

Eligibility Criteria

- A. Experience in supply & installation & service of GPRS system
- B. Having installed devices in vehicles and the certificate of completion from the service taker.
- C. Have to submit last 3 years audited balance sheet and in any financial year in last 3 years with ITR copy.
- D. Having valid PAN No. and GST registration.

1. BID SUMMARY

Sl. No	Key Information	Details
1	Tender for	Development, Procurement, Implementation, Operation and Maintenance of Automatic Vehicle Location System (AVLS) for RMC area of Operations. Tender document is hosted online and can be downloaded from website: www.rmc.nic.in The Bid shall be submitted in Hard Copy at Office of the Commissioner, Rourkela Municipal Corporation, Uditnagar, Rourkela-12.
2	Scope of Work under the Tender	RMC intends to implement the GPS & GPRS based Vehicle Tracking System Comprising Development, Procurement, Implementation, Operation and Maintenance of the Automatic Vehicle Location System (AVLS) for the Garbage Lifting & other Vehicles of RMC.
3	Contract Period	The Successful Bidder will be required to sign an Agreement with the Authority under which the services as per this Tender will be required to be provided for a period of 5 (Five) years from the date of issue of first Work Order/Request Order.
4	Rate Validity	I. The prices/rates quoted by the bidder shall be required to be valid for a period of 12 months from the date of work order. The Request order will have to be executed by the Successful Bidder as per the quantities requested by the Authority/RMC in a Work Order at the specified sites within the specified time mentioned in Work Order. II. RMC may implement the AVLS in phases. Rates beyond Rate Validity period shall be negotiated.
5	Warrantee/ Guarantee Period	Warrantee period for Hardware and Software supplied and installed by the Service Provider shall be minimum one year from the date of issue of Project Execution Certificate.

2. SCOPE OF WORK

Rourkela Municipal Corporation intends to implement GPS & GPRS system in all garbage lifting and other vehicles. The number of vehicles will be around 70. The Scope of Work shall broadly comprise the following activity:

A. Supply and Installation of GPS system in Garbage Lifting and other Vehicles

1. Monitoring/Tracking the transportation of Garbage Lifting and other Vehicles for one year during Guarantee and **4 years** after completion of Guarantee Period.
2. The successful bidder shall supply GPS Devices with SIM/Data cards for enabling GPRS on the GPS Device for Vehicle Tracking. Monthly recurring charges for the same will be paid by the service provider for Guarantee period of one year and later on Annual charge basis for further period of 4 years. GPRS devices are required to hold data for at least 60 days.
3. Monitoring of Routes and Stoppages of Garbage Lifting and other Vehicles and keeping a record of the trip they have made route wise and vehicle wise.
4. The bidder shall do the survey and collect the GPS coordinates of the stop points.
5. The service provider must provide Web based application Software with hosting services, SMS gateway and Google maps.
6. The successful bidder shall provide off the shelf Web based Vehicle Tracking Software to operate and maintain the GPS based Vehicle Tracking devices installed in Garbage Lifting and other vehicles in the RMC area.
7. The software should have provision for self-generated periodic reports through email to designated email IDs.
8. The successful bidder shall install the GPS devices in all the Garbage Lifting and other Vehicles within the time frame set by RMC. The reports generated from system should be sufficient to calculate the performance of the entire system.
9. It is assumed that the entire route of a vehicle is covered by GPS and leading mobile network. But there might be some parts of the route where there is no network coverage. So, the system must work in off-line mode too for these areas and will provide the data once the vehicle enters in the GPRS zone.
10. The Bidder shall be responsible for updating and up gradation (if required) of all Software and Hardware for successful operation of the Project during the Contract Period. RMC would be eligible to demand free upgrades as and when they are launched within the contract period.
11. All data generated during the operation period shall be the property of RMC. The vendor is also required to submit the data for every two months in the form of soft and hard copy to the RMC.
12. The successful bidder has to share the API/data/ specific MIS as per the requirements of RMC without any additional charges.
13. All the supporting accessories and associated software, monitoring dashboard will be provided by the bidder and apart from the quoted rate in the financial proposal, no other cost will be entertained by the RMC thereafter.

14. The cost of the device is valid for one year from the date of work order. RMC may procure additional devices on the specified rates.

3. DELIVERABLES

The successful bidder shall deliver / provide the following:

- A. Hardware –GPS Device, internal battery, internal antenna.
- B. Web based Application Software with hosting services, Google maps.
- C. Periodic self-generated reports by the software through email to designated emails.
- D. User Manuals.
- E. Training to RMC Staff /Other staff engaged.
- F. MIS reports as defined.
- G. Mapping of Stoppages, Routes and Depots.
- H. Sub-Account creation with limited privileges under main account.
- I. Dedicated easy tracking link generation for individual vehicle.
- J. Dedicated web panel installed on a dedicated server maintained by provider.
- K. Monthly operation and maintenance.
- L. The bidder must provide adequate Man power to Rourkela Municipal Corporation Office at initial stage of project (maximum up to three months).
- M. GPS-VTS
 - a. Capturing latitudes, longitudes of Stoppages, Routes and Depots
 - b. Geo-coding and Geo-fencing of Stoppages, Routes and Depots
 - c. Route fixing
 - d. GPS device installation
 - e. SMS/E mail based Alerts
 - f. Customized MIS reports
 - g. Real time location monitoring
- N. Functional Requirement:
 - a. Tracking of Vehicle**
 - i. Supply and Installation of GPS Devices: The successful bidder shall install GPS trackers (with inbuilt GPRS module) in vehicles and manage the tracking of entire fleet operations on real time basis. The Successful Bidder shall replace non-functional/faulty device in given time limit from registering of complaint with new device during the contract period. Technical specifications are mentioned in the document.
 - ii. Trip Tracking: The system shall track each and every vehicle carrying the garbage/solid waste and other purposes from Source to destination. The tracking shall be real time and web based. Entire set of applications and their features shall allow secure web based online access to obtain real time information. The secure access shall be provided through popular browser interfaces.

- iii. Tampering Alert: In case of tampering of any equipment, component of vehicle tracking system etc., alert should be given through SMS/ On- screen Pop Up Alert with Sound on about 4 to 5 relevant Mobile Nos. or as suggested by RMC.
- iv. Route Deviation/Excess Stoppage Alert: In case of deviation of vehicle from pre-defined routes or excess stoppage of vehicle beyond a specified time duration alert should be given through SMS on about 4 to 5 relevant Mobile Nos. or as suggested by RMC.

b. WEB based Vehicle Tracking Software

- i. The Application Software should be hosted by the successful bidder at their own cost during warrantee and AMC period having all the administrative rights and access to the RMC.
- ii. The offered application software product should be readily available (off the shelf) and should be able to deliver and start implementation within the specified time frame as mentioned in this Tender.
- iii. Geographical Boundaries of Rourkela Municipal Corporation and have to update the boundaries if new administrative entities are created by the government.
- iv. Point data relevant to Source (Depots) and destination.
- v. Real time report of the movement of the GPS enabled vehicles on the map to the users based on their privileges.
- vi. The bidder shall maintain a dynamic reporting system. The bidder shall also provide following customized MIS report as per requirements of RMC.
 - a) Live location of the Vehicle
 - b) Working Hour/ Efficiency reports
 - c) Detailed Activity reports
 - d) Vehicle Summary
 - e) History Report (showing path taken by vehicle)
 - f) Trip-wise Report
 - g) Route Deviation Report
 - h) Vehicle stoppage report.
 - i) Monthly monitoring summary
 - j) Periodic report should be sent to dedicated email Id of RMC
- vii. Dynamic Route Management: must be able to create and assign routes based on the landmarks and stoppages with option to assign single or multiple vehicles on the route created.
- viii. Vehicle Stoppage Tracking: It is desirable to have mechanism for proper tracking vehicle of stoppages other than solely on GPS device, Firm may use some feasible & reliable wireless based equipment's to implement this factor.
- ix. Data base system: Since the volume of field data likely to increase exponentially hence it is required that the vendor should use any reliable open database system.
- x. Data Search System: The concern vendor should provide some text based search engine for web application for data retrieval.

c. *Provision of Training and Mobile Friendly Software*

The Software should be mobile friendly and allow tracking via smart phone

Successful bidder shall provide a training manuals and user guides for the system. The Successful bidder shall also provide the training on GPS device and Tracking system to minimum 10 users/officials at RMC. Successful bidder shall develop a training plan that ensures all users of the system receive sufficient training to successfully operate the system. User department will provide the space for training with other logistic arrangement.

d. *Comprehensive Maintenance and Support Service*

Successful bidder has to supply, operate and maintain all the items covered in the scope of this tender during contract period. Comprehensive maintenance service includes application software, parts and service/repair work/replacement of GPS device(s) should be done by the bidder without any additional charge. However, the reinstallation shall be paid additional. In case the supplied items are down and not working, the service provider should attend to the breakdown call/s within 24 Hours and rectify the problem/s of minor nature (configuration etc). If the problem is of critical and major and where the item/spare parts are to be replaced for rectification of any part/problem the call shall be completed within 48 Hours from the time of reporting the call. Failing which penalty will be recovered from monthly payment and/or from the Performance Security as deemed fit to the authority. In addition to attending to the Service/Corrective Calls, the successful bidder shall conduct Preventive Maintenance once in every month for all the items supplied / covered in the scope of work. The Bidder must have a complaint redressal system and centralized contact number to register the complaint about hardware/software issues and will also maintain a log of issues, time and date of receipt of call, cause / nature of problem, date & time of resolution provided etc. The details of complaint redressal system will be provided by the successful bidder to the User department during implementation of the project. The successful bidder also to set up a command and control system with necessary machineries and equipment at RMC office and deploy a Project Manager to assist the department and monitor the project for entire period of contract without any additional cost to the Rourkela Municipal Corporation.

e. *Roles and Responsibilities of the Service Provider*

- I. Understanding the scope of work.
- II. To provide software and manpower for successful implementation /completion of project.
- III. To implement the project with his own men and material by developing required software and also insuring all men, machines and material against all risks.
- IV. Backup of data from time to time and providing backup file with compliance report to RMC.
- V. Submission of Monthly/ Weekly report to the RMC.

f. EMD & Security Deposit

Earnest Money Deposit (EMD) of Rs. 52,000/- (Rupees Fifty Two Thousand Only) in shape of Demand Draft from any scheduled bank drawn in favour of Commissioner, Rourkela Municipal Corporation payable at Rourkela. The EMD of successful bidder is liable to be forfeited if the bidder revokes any terms of the tender within the validity period. EMDs given by unsuccessful bidders will be refunded without any interest after placing of work order to the successful bidder. The successful bidder will deposit 10% of the Project value as Security deposit in shape of Demand Draft from any scheduled bank drawn in favour of Commissioner, Rourkela Municipal Corporation payable at Rourkela while entering agreement with RMC. The EMD of successful bidder will be adjusted towards the Security deposit or returned to the bidder after submission of security deposit. The security deposit will be returned without interest to the agency after successful completion of the project.

4. ANNUAL MAINTENANCE

Repairing maintenance and reporting for period of 4 years after completion of the Warranty/Guarantee period.

The supplier has to repair/ replace and maintain the supplied and installed GPS equipment's for a further period of four years after the completion of warranty/guarantee period. The service provider shall keep the device functional (all costs in this regard including the internet charges have to be borne by the supplier) and should provide all the required reports/ data and information to RMC as and when required.

- A. AMC for this project includes all types of expenses on VTS devices like device and software maintenance, data charges, device replacement charges (in case of non-functioning of the device), application hosting charges, SMS alert charges etc.
- B. The payment will be made by RMC after successful commissioning of work. The AMC payment will be done on quarterly basis based on satisfactory performance by the firm. The payment will be done at the end of each quarter.

ANNEXURE 2 - TECHNICAL SPECIFICATION

Sl. No	Specification/Feature	Complied
	Make	
	Model	
1	Less than 3m, 32-50 channel GPS & GLONASS Receiver	
2	Class 12 GPRS Communication Transceiver	
3	12/24V Operation	
4	4 hours (up to) internal Battery Backup	
5	Extended Temperature Grade (-15 to 80 degrees Celsius)	
6	Over the Air Software Upgradability	
7	Light weight, ABS Plastic/Metal enclosure with internal GPS/GSM antennas	
8	Two status LEDs	
9	1 Digital Inputs	
10	Internal Battery backup with built in charger	
11	Main Power Tamper Alert	
12	Protocol : TCP, Data includes current time stamp, date stamp, Latitudes, Altitudes, Distance moved	
13	Tracking Interval: Programmable 5 secs and upwards, depends upon the protocol, network, and firm feature selected	
14	CPU and Memory: 32 bit application process, 128 MB(up to) flash memory	
15	GSM/GPRS 2G quad band	
16	GPS: Channels: 32 or more, Accuracy: Less than 3m, Sensitivity: -159dBm or better, High Antenna Gain	
17	Power Selection: 6-30V, Reverse Voltage Protection, 4kv Peak Surge Protection, inbuilt fuse	
18	Internal Battery	
19	Motion Detector: The unit firmware is capable of motion detection and automatically adjust its tracking interval	
20	Power Consumption: 80mA average @ 12V, depends upon network setting	
21	<p>Firmware: The VTU firmware shall support:</p> <ol style="list-style-type: none"> 1. SMS/GPRS based configuration of tracking time interval, start or stop tracking, device restart, server parameters, APN server parameters to support any network carrier 2. Track on movement/ motion sensor , Data Alert on removal of main power 	
22	EMI/EMC the unit meets necessary standards	
23	Humidity Level 95% RH at 390C	

Signature of Bidder with Seal

ANNEXURE 3 - BIDDER'S AUTHORIZATION CERTIFICATE

To,

The Commissioner

Rourkela Municipal Corporation

Uditnagar, Rourkela - 769012

1	Address of Office (Incorporation Certificate, Rent Lease Agreement, Trade License etc)	
2	OEM Authorization Certificate	
3	Work Experience (minimum 2 years of work experience with at least 500 GPS devices installed, to be furnished by attaching copies of work order within the span of two years.)	
4	Quality Certificate on Hardware (any two from ISO, CE, RoHS, FCC, ARAI)	
5	Copy of Valid GST certificate	
6	Self-Declaration on Non Black Listing	
7	EMD in shape of DD	
8	Bid Document cost in form of DD	
9	Self-declaration of Warranty Terms of 1 year on the hardware	

Signature of Bidder with Seal

TERMS & CONDITIONS OF TENDER

1. The complete tender document for the above job can be seen on the website of Rourkela Municipal Corporation i.e www.rmc.nic.in.
2. The bids shall be submitted in two bid system as prescribed in the tender document.
3. The bidder may preferably be the Original Equipment Manufacturer (OEM) or his authorized Distributor/ Dealer. However, in case the bidder happens to be any authorized Distributor/ Dealer, an authorization letter from the OEM is required to be submitted.
4. In case of authorized dealer, the firm has to submit the certificate of the same given by the manufacturer/OEM.
5. The firm must customize the software/dashboard associated with the proposed VTS devices as per the requirements of RMC.
6. The bidder shall have to ensure necessary support for all hardware and software components during the contract period.
7. The firm has to give a declaration that it has not been blacklisted in the past by any Govt./Private institution of the country and there is no vigilance/any other investigating agency case pending against the firm/supplier.
8. Copy of valid GST Registration to be submitted.
9. The bidder must be ISO Certified.
10. The GPS Hardware must have at least 2 quality certifications like ISO, CE, RoHS, FCC, ARAI etc.
11. The bidder must provide a minimum warranty of 1 year on the hardware. A self- declaration of the same should be furnished.
12. Attested copy of partnership deed/memorandum and articles of association as the case may be if the bidder is a partnership or firm joints stock company.

Important points to be noted by the Bidder:

- I. The bidder should ensure that no correction or over writings erasers is left out to be attested by self.
- II. The offer shall be inclusive of all taxes, royalties, good sales tax, income tax, work contract tax, service tax etc, to be paid by the bidder for the work and the claims for payment on any such account shall not be entertained.
- III. All pages correction, addition and pasted slots should be signed by the bidder.
- IV. In case any clarification is required; the bidder may obtain it personally or in writing well in advance. In any case the bidder will be responsible to bind himself/ themselves to the term and conditions & specification of the tender once submitted by him/them.

- V. Any change that will be made in the tender papers by the competent authority after issue of the same will be informed to the tender in the form of corrigendum/ Addendum for incorporating the same in the tender before submitting the same.
 - I. Income Tax and other statutory deduction will be made as per the rules in force.
 - II. The technical qualified bidders are allowed for opening of financial bid. The bidder having the lowest evaluated financial bid (L-1) would be considered for award of the contract subject to fulfillment of the terms and conditions of the bid documents. However the Tender Inviting Authority is not bound to accept the lowest quoted rate on ground of being unreasonable or not workable.
 - III. The successful bidder will be intimated for execution of contract with authority of Rourkela Municipal Corporation by submitting 10% security deposit in shape of DD.
 - IV. Acceptance of the tender rests with the competent authority of Rourkela Municipal Corporation who reserves the rights to reject any or all tenders without assigning any reasons therefore.
