**ISPAT GENERAL HOSPITAL**  
**SAIL, RSP, ROURKELA**

**COVID-19 (RT-PCR) Test Report**

Date and time of reporting	02.02.2022; 07:00 P.M.
Address of the referring facility/Hospital	Rourkela Govt. Hospital, Rourkela
<b>SPECIMEN DETAILS</b>	
Date & Time of sample collection	31.01.2022; 09:00 A.M.
Date & Time of receipt of specimen	01.02.2022; 09:30 P.M.
Condition of specimens received / Quality on arrival	Acceptable
<b>REPORTING DETAILS</b>

**Interpretation guidance:-**

- Testing of referred clinical specimens was considered on the basis of request / referral received from / through State Surveillance Officer (SSO) of concerned State Integrated Disease Surveillance Programme (IDSP)/ any other health care facility affirming requirements of the case definition/s.
- A single negative test result, particularly if this is from an upper respiratory tract specimen, does not exclude infection\*
- A positive test result is only tentative, and will be reconfirmed by retesting.
- Repeat sampling and testing of lower respiratory specimen is strongly recommended in severe or progressive disease. The repeat specimens may be considered after a gap of 2 – 4 days after the collection of the first specimen for additional testing if required. \*
- A positive alternate pathogen does not necessarily rule out either, as little is yet known about the role of coinfections.
- Please note that these results are not to be used for any thesis or presentations or for Publication in any Journal without the prior permission of the Director General, ICMR
