EMD of unsuccessful bidder will be returned without interest immediately after tender process is over. EMD of successful bidder will be retained as Security deposit and returned without interest after successful installation and fulfilling all the term & conditions mentioned in the bidding. However, MSME shall be exempted to submit the EMD/Bid security as per the MSME development policy 2016. MSME needs to submit valid MSME registration certificate.
- The firm/bidder must have past experience in any Civil Construction/ Boundary Wall to Government organizations not less than the value of Rs.40,00000/- (Rupees Forty Lakhs) during last 2 years (ending March 2022). The firm/bidder must submit the relevant documents like copy of Work order/ Contract Document/ Completion Certificate from the competent authority along with the Technical Bid as proof of the past experience.
- The sealed Bid shall be submitted to the Commissioner, Rourkela Municipal Corporation, Uditnagar, Rourkela, Dist.-Sundargarh (Odisha), PIN-769012 on or before 13.10.22 by 1.00 P.M. (in any working day) as described above. The EOIs will be opened in presence of suppliers or their authorized representatives on the same day at 4.00 P.M. If the last date of submission, opening of EOI and other schedule happens to be a holiday, the next working day will be treated as the schedule for the same.
- The qualified Bidder/ agency have to complete the assigned works within 45 days from the date of placement of work order. Any extension of time schedule will be at discretion of RMC Authority. If the selected Bidder fails to complete the job within the stipulated time period, RMC will be entitled to charge @1% of the accepted contract sum per week subject to a maximum of 10% of the accepted quoted price.
- Failing the service as per the terms and conditions of the EOI, lead to termination of the work order and forfeiting the entire amount of Security deposit or Blacklisted as per the provision of law.
- The qualified bidder has to construct the Precast Boundary Wall at Different Locations of Rourkela City.
- The location details will be communicated to the successful bidder during issuance of work order.
- The Engineer in Charge shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Engineer in Charge may instruct the Contractor to search for a Defect and to uncover and test any work that the Engineer in Charge considers may have a Defect.
- If the Engineer in Charge instructs the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect all such test/tests shall be carried out by the Contractor at his own cost and shall be deemed to be included in the rates given by Contractor.

- The Engineer in Charge shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins at Completion and is defined in the Contract Data. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.
- Every time notice of a Defect is given, the Contractor shall correct the notified Defect within the length of time specified by the Engineer in Charge's notice.
- If the Contractor has not corrected a Defect within the time specified in the Engineer in Charge's notice, the Engineer in Charge will assess the cost of having the Defect corrected, and the amount will be recovered from the Contractor.
- The SCHEDULE OF QUANTITIES shall contain items for the construction, installation, testing, and commissioning work to be done by the Contractor.
- The Contractor Shall be paid for the actual quantities duly approved by the Engineer in Charge.
- **The rate quoted by the Bidder is fixed, firm and shall be inclusive of all costs and expenses.** The cost includes Preliminaries works / costs such as site measurement, supervision, setting out, insurances, water, electricity/power, security/ watching, protection of public, working around and in connection with underground services, cables, pipes, etc. working/liaison with consultant engineers, Government and other Relevant Authorities etc. The scope includes temporary and false works, Preparation and maintenance of access and / or haul road, etc., all tests, sampling, inspection, reports, opening up of works and related works (including testing on materials supply by Employer), Material, labour, plant, equipment, machinery, tools and all related costs, Shifts works, night works, overtime works, incentives, bonus, related labour employment costs etc., site constraints and conditions, Overhead cost, profits, etc., Protection and maintaining all Contract works and anything affected by the Contract works until completion handing over, any other costs and / or expenses deemed necessary for the due execution and completion of the works.
- The rates quoted shall be inclusive of all taxes, duties and royalties applicable in the State of Odisha from time to time. The Contractor accepts that all taxes on the Contract shall be to Contractor's account. Employer shall deduct Tax Deduction at Source (TDS) for such taxes at the rates fixed and revised by Relevant Authorities from each payment/bill due to Contractor. Employer shall issue TDS certificate in favour of Contractor for the TDS so recovered.
- The rates as contained in the quote shall also be inclusive of all PF, ESI etc. and all other payment as per the statutory requirements. The Contractor shall produce proof of compliance of such requirement to Employer. In the event that the Contractor failed to produce such proof / paying such payment, Employer shall pay such payment direct (but is not obliged) to the Relevant Authorities and recovered the same from whatsoever monies due or to become due to the Contractor.
- The Performance Security in the form of unconditional bank guarantee shall be provided to the Employer no later than the date specified in the Letter of Intent and shall be issued in an amount equal to 3% of Contract Price from a Nationalized or Scheduled bank in the Employer's prescribed format the Performance Security shall be valid until a date 30 days from the date of expiry of Actual Date of Completion.
- Due to any default by the Contractor, the Employer shall be entitled to terminate the Contractor's employment under the Contract by giving one (01) week advanced notice in writing by stating the reason. The date after seven (07) days from the date of issuance of the Termination Notice shall hence be defined as "Date of Termination". The Contractor will be paid for all works duly and properly completed up to the Date of Termination but shall not be entitled to anticipated profit or any consequential or indirect loss or damage and shall hold harmless and indemnify the Employer against Contractor's Contractors/suppliers or third parties arising from termination under this Clause.

- The Contractor had agreed in the event of delay in progress or non-achievement of the Milestone Dates, The Employer shall reserve the sole discretion right in deploying its own plant and machinery or engaging third Party to speed up the Contractor's works and the Contractor's Contract shall be terminated with written notice at any point of time without any compensation or claims to be paid to the Contractor. All additional / extra cost incurred by The Employer shall be charged to the Contractor due to such event.
- Full payment to Contractor's workers, Contractors, suppliers and third parties engaged by the Contractor for any portion of the Contract works shall be paid in full by the Contractor and thereafter must be removed from site on or before the Date of Termination. If the Contractor failed to make full payment to these workers, Contractors, suppliers and third parties and/or remove them from site on the Date of Termination, then the Employer will carry out such duties on behalf of the Contractor. The Employer will recover all cost incurred due to the performing of such duties on behalf of the Contractor by making deduction from amount/s due to the Contractor or by any other process.
- No part of the Contract shall be sublet without the written permission of the Employer nor shall transfers be made by the 'Power of Attorney' authorizing others to carry out the work or receive payment on behalf of the Contractor.
- The Compliance of the Safety and Health provisions are of utmost important to the Client. The prospective contractors must note that the client will take a serious view of any non compliance. The Client has a right to order stoppage of work till rectification is carried out to the satisfaction of the authority and all stoppages on this account will be at the entire risk, costs and consequences of the Contractor.
- The selected Bidders must follow the Labour law while executing the work. All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks are the responsibility of the Contractor. The Contractor shall indemnify RMC any eventuality or mishappening that may arise due to any reason during the course of execution of the contract.
- Bidder found lowest quoted price will be awarded.
- The undersigned may engage one or more agencies with price negotiation.
- Corrigendum, addendums and subsequent clarification of the EOI terms, if any, can be downloaded from the official website of RMC i.e. www.rmc.nic.in only.
- The undersigned reserves the right to accept rejects any or all EOIs without assigning any reason thereof.
