## Opening of "Jalachatra" in Various Places of RMC

As a part of routine initiatives Rourkela Municipal Corporation has opened "JALACHATRA" at 17 nos. of different locations under Rourkela Municipal Corporation limits on its own cost. On dt. 06.04.2016, Sri A. K Mallick, Municipal Commissioner, RMC inaugurated "JALACHATRA" in front of Rourkela Municipal Corporation office. Apart from it, RMC has also provided drinking water by Municipal Water tankers in other 15 nos. of locations, which have been operated under Public Private Partnership (PPP) mode.

## Mass Main Drain Cleaning Drive

As a special initiative the Mass drain cleaning drive has been taken up by Rourkela Municipal Corporation in all wards. The activities included cleaning of drains to prevent water-logging by removal of Mud, filth and wild growth from buildings/residential quarters. Besides pruning of hedges bush cutting were taken up with maintenance of green spaces/gardens to prevent breeding of mosquitoes and other disease carriers.

As Government itself has taken the initiatives, the people should realize that cleanliness is not just Government responsibility. On its part Government can make special Mass Cleaning Drive time to time. So that more and more people should become aware and make their environment garbage free.

## Eviction at Gopabandhupali & BPUT

An eviction drive was conducted by Land Guard Staffs of Rourkela Municipal Corporation to demolish the unauthorized construction over Govt. land at Gopabandhupali and BPUT.
